Greetings Fellow Australian's

And other friends around the World, I have been in Washington for the last month, just visiting a few friends, but also had an unexpected – unplanned meeting with a few (Factor X) boys in Washington DC more about that meeting latter.

But the pressing issue of the day is this following story.

US Commando War in 120 Countries -Uncovering the Military's Secret Operations In the Obama Era

<http://www.informationclearinghouse.info/article28747.htm>

American secret commandos are carrying out raids in 70 countries--just today.

By the end of the year, the number will probably be close to 120.

# When was Julia Gillard, Kevin Rudd, Tony Abbott going to tell us this?

And you can bet your bottom dollar folks these Commando's – Special Forces Troops will not be visiting tourist here in Australia.

Visiting Gay Sauna's – Bathhouses or Girly Titty Bars around Kings Cross that is for sure, their goal, aim and objective will be to carry out Terrorist like Attacks in Australia, blaming **"Al Qa`eda"** Muslim Terrorist for the Attacks.

And right on que the following **"Sock Puppets"** are out in force laying down the **"Cover Story"** about "Al Qa`eda" Terrorism and Muslim Terrorist in the lying Mainstream Media. **(Or so it would seem they are)** <<<Disclaimer in case I am wrong.

### Oz Security cost over \$30 Billion

AS THE world commemorates the 10-year anniversary of the September 11 Terrorist Attacks, Australia's bill for fighting Terrorism edges towards \$30 billion, and local analysts are questioning whether we are getting value for money.

## Is There A "Coups" Underway In Australia?

My trip to Washington yield very interesting inside information, (The Information comes from a reliable source so its creditable, but not confirmed).

Who is (Factor X) Boys in Washington DC?

Lets go back in history during the Bush / Cheney Administration, Dick Cheney replaced allot of US Military Top Brass with his own people.

Allot of US Military people, FBI, CIA, NSA people either were assassinated, or left because they could see the corruption inside the Bush / Cheney Administration including The False Flag Terrorist Attacks carried out against the American people by their own Government, on 11<sup>th</sup> Sept 2001.

These people couldn't stand by any longer watching their country go down any longer so a meeting was called one Friday Night back in February 2003, which took place at a Washington Hotel (30 People approx attended this meeting) The group has grown to about 130 people now, some still living in Washington DC, others have left for South American countries.

They talked about where their country was going, and couldn't stand by any longer watching both political parties had been taken over and now controlled by the International Bankers, Security & Military Industrial Complex, AIPAC The Jewish Lobby, The Zionist Mainstream Controlled Media, Big Pharma, Big Corporations to name a few.

Both political parties and every Congressman, Senator had sold out their country and souls to the highest bidder who would fill up their wallets and political parties bank account coffers which they would use then to win Government, and then repay these above people by doing their bidding in return.

These people could see how Non-strategic industries have been closed down or moved overseas principally to China causing mass unemployment and leaving the workforce a choice of employment in the armaments and tributary industries or directly in the military forces.

The nations of America and Britain in particular are being turned into massive war machines and bled dry.

So what these people decided to do was release certain **"Classified Information"** via the Independent Alternative Media and let the Blogger resistance movement do damage with some of this inside information, which they themselves (Factor X) gained from friends still employed within the Military and above agencies.

NO – **“Classified Information”** plans, goals, ambitions, objectives would be feed to any of the Controlled Western Zionist Mainstream Media, **none!**

Over the last 10 years since 11<sup>th</sup> Sept 2001, The Controlled Western Zionist Mainstream Media would attack some of this information by calling it “Conspiracy Theory?”

Calling people Nut cases, Tin Foil Hat Society, Ragbags, “Al Qa`eda” – Muslim lovers.

The Bush / Cheney Administration and all those involved and with something to gain had to prop up the Official Story about 11<sup>th</sup> Sept 2001, which has been debunked 1,000 times over, also **NO Evidence** in 10 years has been forth coming to prove the Official story true & correct except for **“Talking Heads”** on TV and every corrupt politician, corrupt Police Officer, Military person and corrupt Intelligence agent.

So that is the back ground behind (Factor X) Boys in Washington DC, they have NO contact with any of the Zionist Controlled Mainstream Media, only Independent Alternative Media sites and Bloggers.

To counter this, the corrupt Powers of **“B”** in Washington DC, Israel and London would counter these people whistle blowing and make **“Wikileaks”** look like the good guys, setting up Bradley Manning as some (Patsy – Stooge) who was only a lowly private with NO Clearance – Access to **“Classified”** information on records 2-3-4-5-6-7 times above his security classification.

- Think about it people how was poor patsy – stooge Bradley Manning suppose to hand over **“Classified”** information to Wikileaks Julian Assange which was 2-3-4-5-6-7 times above his security classification.

## **Answer is – He couldn’t and Can’t?**

- Also The US Military – Pentagon and US State Dept are two different Depts / Sections.

As being released by Wikileaks now US Embassy Emails, Letters etc come under the control of the US State Dept.

- When did the US Military – Pentagon start saving and collecting US State Dept emails, cables, and letters?

Answer is – They have never collected them and have **NO** control over these items, if the US Military or Pentagon wanted a US State Dept document as mentioned above they have to put in an Official request.

Nobody in the Zionist Controlled Mainstream Media would expose these details, facts, and inconsistencies so the whole Psy Ops Operation of setting Wikileaks as the good guys out there releasing information would be brought hook line and sinker.

Wikileaks is a known CIA, Israeli Mossad funded and run Operation releasing information at the right time to either threaten World Leaders and countries or expose and get rid of people on the inside who **Used By Date is up.**

## Is There A "Coups" Underway In Australia?

Back to my trip to Washington DC, I was sitting in the Park one day minding my own business feeding the pigeons some bird seed, and bread and this guy walks up and sits down beside me, he introduced himself as Major Tony Majors he spoke with a British – English accent.

He says "Hello Henry" I think to myself WTF?

How do you know my name?

He then introduced himself further and said you know who (Factor X) Boys are in Washington DC don't you?

And I said yes, I have read and heard about them, but most people thought you guys have all left the country for South America by now before the shit hits the roof.

He then told me yes, some have left for South American countries but there is still a few of us working behind the scenes in Washington still, our power is limited but we are still trying to destroy the plans, ambitions, goals of those who have taken control of America behind the scenes.

Then with a nod of his head, 3 other men come over, two of them sat down with Tony and myself the other man stood in front.

They also introduced themselves as working for (Factor X) in Washington DC.

I said but how do you all know me?

I am only a 72 year old man, who is on the Old Age Pension in Australia, I write a few letters, write a few stories etc, I am nobody important in the wheel of things?

And the man in front pipes up and says we know most of the Bloggers and people in the Alternative Media, and yes little people like you Henry.

I said oh!

So we then talk about some of the things mentioned above and other False Flag Terrorist Attacks, which have occurred since 11<sup>th</sup> Sept 2001, Madrid Bombings, London Bombings, Bali Bombings there has been so many.

Some interesting inside information they disclosed was US President Barrack Obama is very unhappy about the situation in Australia with the present Labour Government and the Opposition Party.

They said inside sources from The White House have disclosed President Obama feels like coming down and banging Gillard – Rudd – Abbott heads together. (Their words not mine)!

Gillard backstabs Rudd for Prime Minister

Abbott will do anything (Including Taking it Up The Date) to become Prime Minister

Smiling Kevin wants to be Prime Minister again!

They then said a few names have been mentioned around inner circles at The White House, Pentagon and Capital Hill.

They then said names being mentioned are Bill Shorten as Prime Minister & Stephen Smith as Deputy Prime Minister, because they were clean skins with NO baggage behind them like Gillard, Rudd and Abbott have.

Bill Shorten MHR

Assistant Treasurer

Stephen Smith MHR

Minister for Defense

They asked what I thought of these guys and I told them in no uncertain terms, different faces, same policies as Gillard, Rudd and Abbott.

And with that, they said their good byes, told me to keep up the good fight and expose evilness and corruption where I could and maybe we might meet again some day after we rid all our countries from this "Evil Scourge" which has taken control of most western countries from the above mentioned entities.

And with that they were off.

I still shake my head did this meeting that just happen?

Really take place and I pinch myself!

Ouch!

Yes!

So there you have it people, so if the above story.

US Commando War in 120 Countries -Uncovering the Military's Secret Operations In the Obama Era

<http://www.informationclearinghouse.info/article28747.htm>

American secret commandos are carrying out raids in 70 countries--just today.

By the end of the year, the number will probably be close to 120.

---

If that story and information come true in Australia and we start seeing "Al Qa`eda" Muslim like Terrorist Attacks you know who is really behind these attacks and why its happening.

Its to bring down the present Gillard – Swan Labour Federal Government and replace it with a Labour Bill Shorten / Stephen Smith Federal Government in Australia.

And its because US President Barrack Obama and his corrupt Inner circle of thieves, cut throats want to push the PNAC & Clean Break Agendas into over drive taking control of all World Resources yesterday, not next week or next month.

As far as Australia is concerned all the in fighting between Rudd to Gillard, Gillard to Abbott, Gillard to Rudd again is a distraction to the bigger Global Chess Board Game.

And America cannot pursue control over China and the Asian Basin area while these 3 bozo's are fighting between themselves Gillard – Abbott – Rudd.

**The End**
